

Mussoorie International School

Become the
EXTRAORDINAIRE

Welcome to
Mussoorie International School

Overview

Located in the pristine hills of Mussoorie, the school's campus is encompassed by the allure of nature, with its aura accented by pine, deodar and other coniferous trees. For more than three decades, Mussoorie International School has been home to many girls, from over 27 countries and has enriched their lives in an environment that offers a rich mix of the traditional and the modern – the cultural heritage of the former, and the technological, pedagogical and creative advances of the latter. Rooted in the belief of the all empowering "GAYATRI MANTRA", the school inculcates in every child the power of tolerance, acceptance and respect for oneself as well as others. By offering global education braced by strong foundation of Indian tradition, culture and values, Mussoorie International School has set an example in the domain of quality education as a leading Residential School for Girls.

Inspired and ushered by the blessings of **Gurudev Pandit Shri Ram Acharyaji**, Mussoorie International School was founded in 1984. Gurudev Pandit Shri Ram Sharma Acharyaji, was an eminent philosopher, a social reformer, a visionary of the New Golden Era, and the founder of "All World Gayatri Pariwar", headquartered in Shantikunj, Haridwar, India. Gurudev Pandit Shri Ram Sharma Acharyaji is no longer with us, but his spirit continues to guide and inspire us.

Our Vision

Our Vision is to impart integral education, that is global and all comprehensive, based on a strong foundation of Indian tradition, culture & values

Our Values

Enlightenment
through academics

Empowerment
through technology

Enrichment
through arts

Excellence
in sports

Exact in her
communication

Ebullient
in her friendship

Elite
in her values

Empathy
towards nature

Life at MIS

"Legacy is built over time and not overnight."

MIS offers a unique boarding school experience with the grandeur of a castle and the warmth of a home. The daily boarding program is designed to foster continuous learning through academics, co-curricular, environmental and community based activities. While the communal living introduces a sense of self-discipline and self-reliance amongst the students, the dorms at MIS are alive with conversations, music and pearls of laughter.

For Grades I to VIII

The Millennium Learning System™ (MLS):

MLS is a scientifically designed and researched learning system, designed by EQFT's * (Education Quality Foundation of India) research team. MLS identifies the specific skill set of every child and helps each one to derive inspiration from within as well as motivation from the outside world. To prepare children to take charge of tomorrow, the Millennium Learning System focuses on their **intellectual, creative, physical, mental, emotional and social abilities**. In the process, it creates lifelong learners who will be the **leaders of tomorrow**.

The curriculum involves innovative concept books, unique dictionaries, project & apprentice manuals, lesson plans and skill-based assessments. The concept books are designed to engage the **auditory, visual and kinesthetic types of learners** in the class according to their learning styles. Application of the concepts is encouraged through the projects. MIS offer ICSE curriculum for Grade I – VII.

* (www.eqfi.org)

For Grade IX & X

MIS offers both National as well as International curricula in classes IX & X.
Students have a choice of choosing either of the programs.

Pedagogy

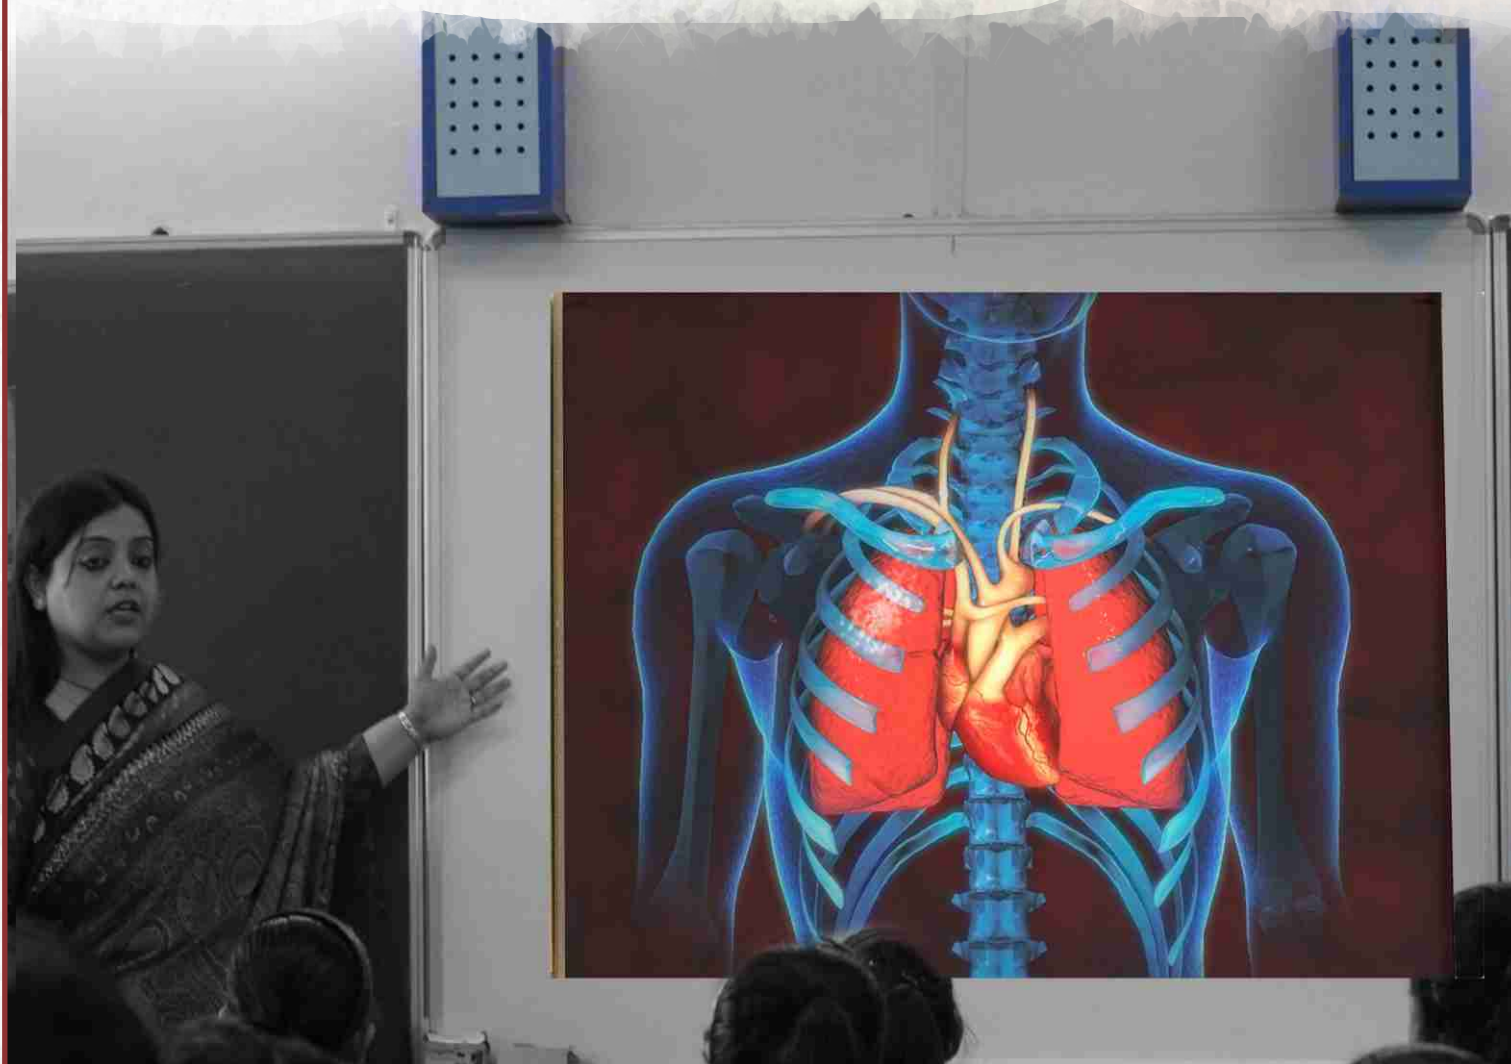

"Education that will not only teach, but help her understand."

"The pedagogy is competent and contemporary. It serves as the best preparation for further studies in the finest universities of the world. Activity based, experiential learning is facilitated across all classes. Every student participates and contributes to the Smartclass™ Curriculum

Presentation in every term; students are encouraged to think laterally and link the topics from their taught curriculum.

The school has extremely well qualified and committed academic staffs, whose members have exposure to international educational systems and are trained in activity-based learning and teaching methods".

Performance Enhancement Program

AT MIS, daily creative assessments are integrated into every subject in order to identify the strengths and limitations of each student.

The Performance Enhancement Program (PEP) and the Remedial program allow to bridge the learning gap and to maintain the Minimum Learning Levels (MLL) of each student. The system is specially designed to interpret the data and to accurately analyze the performance of each student.

PIE (Program on Intensive English): PIE program helps our overseas students to improve their English speaking, reading and writing skills before they join the mainstream group of IGCSE. The program is in effect from grade VIII, Where students are streamlined for both ICSE & IGCSE. In addition to learning English and Hindi, students are also taught Sanskrit and French from primary years. The Language programs are comprehensively and scientifically designed with the purpose of taking learning beyond classrooms, through activities such as games, drama, audio & visual clips which making learning enjoyable & participating.

Counseling & College Placements

"Where she will always be ready for the future."

At MIS, we assist parents and students in gaining accurate and precise information about courses and programs of study, and advise them on strategic academic planning. The School also offers in-school classes for **PSAT, SAT, CLAT, NID, Engineering & Medical** entrance examinations.

MIS career cell consistently communicates and hosts placement campaigns by collaborating with various Indian and International universities, at the school campus. Our experienced and committed College Counsellor actively handholds students through every aspect of the applications process and maintains a track record of success which is second to none in India.

We stand proud to announce that our students have graduated from some of the world's finest colleges and universities and are performing remarkably well in their respective fields.

"Where she will always
be poised and confident."

Our students have
joined the following
universities

Boston university, USA |
UBC, Canada | SFU, Canada |
Lasalle college of arts Singapore |
Stony Brook, USA |
Florida International University, USA |
Oxford Aviation Academy, Europe |
University of Edinburgh, UK |
Kings College London | Brunel, UK |
Manchester University, UK | Bath
University, UK | Nottingham, UK

Creative Arts

Every Sunday, students get an opportunity to pursue art & craft, giving them an opportunity to excel in the area of their interest.

Painting : Screen Painting | Framed wall | Hanging | Rope Sceneries
| Fabric Painting | Tie and Dye | Nib Painting | Glass Painting

Craftwork : Block Printing | Patch Work | Tin Embossing
| Jute Bags | Macrame | Candle Making | Bead & Sequin Work

Sculpture: Pottery | Sculpture

Performing Arts

The school provides training in variety of disciplines in music and dance which the children have freedom to choose from.

We have **dedicated and gifted maestros** as a part of our prestigious faculty who ignite & sustain the creative spark in our students.

The school also has a choir that performs on special occasions.

The universal language of Music and Dance helps students from across the continents to bond, and is the perfect catalyst to engage the mind, body and soul.

Sports & Fitness

Every student at MIS undergoes a general fitness program that includes weekly yoga classes. The students are given opportunities to excel & join the school sports team. The Campus has a centrally heated indoor swimming pool & provisions for the following games:

Football | Basketball | Throw ball | Table Tennis | Lawn Tennis
| Badminton | Roller Skating | Gymnastics | Athletics & Track Events

Traditions

Traditions at MIS are not just about breaking the ice, inculcating spiritual quotient, and finding one's own talents, celebrating the spirit of sportsmanship, building capacity or embracing oneself and others as a team. The main objective of Weekly Hawans, Investiture Ceremony, Orientation of new students, Welcoming New Faces, Talent Fiesta, Founders Day, Annual Sports Day, Annual Prize and farewell is not to showcase its tradition and culture but to form greatest and strongest of relationships for life.

Tours & Excursions

An annual excursion is organized for students of classes I to XII, and an annual international educational trip for senior students, every academic session. Furthermore, the school organizes **planned visits** to various places to enrich the students & to take **learning beyond the four walls** of the classroom.

Health @ MIS

Countless studies have shown that health and academics go hand in hand. To ensure resilient emotional and physical health of the students we have incorporated the HealthSetGo program. HealthSetGo is India's pioneering health solutions program working on the **World Health Organization School Health Framework**, with the aim to provide children with a healthy environment which leads to holistic development.

Dining @ MIS

Even the dining hall at MIS comes alive with Indian ethos & values through the ambience created by the students who themselves serve and organize the meals. The dining hall is a reflection of the idea - "what you eat is what you become". The dishes are not only carefully prepared keeping in mind the nutritional requirements and holistic growth of every child, but are also immensely delicious and appetizing.

Our kitchen staff is very **cautious about food allergies**.

Concerned about the fact that many students and staff are sensitive to nuts, gluten, dairy and other foods, they strive to keep these needs in mind. A stringent food safety and hygiene regime is followed to keep the kitchen, storage and dining area diligently clean and sterile.

The Leadership

MR. SHANTANU PRAKASH,
MANAGING TRUSTEE

With its legacy of more than three decades, Mussoorie International School has set a milestone after a truly golden journey, where the school has charted a completely new path that is unique in the annals of school education, not just in India but across the world. The balance between spiritual education and a global mindset that the girls of MIS receive is something that is very precious. The school aims at inculcating 21st century values while being deeply rooted in spiritual and value based tradition of Indian ethos and history.

We at Mussoorie International School believe that girls have the tremendous potential and power to reach out to the world on a global scale. In our classrooms, on our athletic courts, within science labs, and on stage, lessons are learned to participate, perform, excel and lead.

DR. SHAYAMA CHONA,
CHAIRPERSON
(Padma Shree & Padma Bhushan Awardee)

The goal of any educational institution should be the same – to strive for excellence and to provide an environment which nurtures the pleasure of discovery, learning, expression, and communication thereby maximizing intellectual capacity and sensitivity of each student. One institute which follows this percept very well is the Mussoorie International School.

MRS. PRIYA PETER,
PRINCIPAL

As the Principal of this esteemed institution, I take pride in introducing you to this unique all girls residential school housed in the Verdant Hills of Mussoorie, Uttarakhand. Rooted in the belief of the all empowering "Gayatri Mantra", the school inculcates in every child the power of tolerance, acceptance and respect of ideas from different countries and culture. The essence of MIS lies in its rich traditional and cultural legacy of more than three decades. Our prime focus is the holistic development of children so that they are ready to make their mark globally as thoughtful, rooted and empowered women.

Accomplished Faculty

“Where The Diamonds are shaped by The Diamonds.”

A chapter on MIS's success is accredited to the highly qualified & experienced faculty members, skilled in value based teaching & possessing excellent communication & presentation abilities. We believe that every child is unique, and that by providing individual attention, the immense potential within can be honed.

Therefore, we have created an environment that serves as a catalyst to a joyous learning experience.

Build the right rationale for your Decision

Rationale for choosing a particular school shouldn't be because
you or someone you know has gone to a particular school

Your daughter is unique let her journey be so too

Alumna Sentiment

The Gayatri Mantra and the school song
helped me to become a strong person and
to make sure that I don't hurt anyone
unknowingly.
